

CORRIGENDUM

The due date of opening of **Tender Specification No. CMD/MK/04/216 for procurement of “Repairing & testing of BGP failed Distribution Transformers (upto 200 KVA)”** is hereby further extended. The revised date of opening of the tender shall be now **12.05.2011 instead of 06.05.2011.**

1. Clause 11 of Schedule-II- Performance Guarantee Period.

- i). **“ The performance guarantee period of repaired units shall be 18 months from the date of receipt of repaired units in Company’s Area Stores. If during the course of above period transformer develops defects, the same will be repaired by the firm free of charges. All necessary arrangements on this account will be made by the suppliers.**
- ii). The said transformers, if required to be repaired, shall be collected by the supplier/firm from Area Stores at their own cost and at their own responsibility. These transformers will like-wise be returned duly repaired and tested subsequently by the supplier to the destination indicated on freight paid basis at their cost in a reasonable time of 60 days from the date of intimation by the Area Stores.
- iii). Unit once failed within guarantee period and returned to Area Stores duly repaired free of charges shall be guaranteed for a minimum of 12 months or un-expired guarantee period left as on the date of failure of the unit, whichever is later.
- iv). The outage period i.e. period from the date of failure till unit is repaired, shall not be counted for arriving at the guarantee period. The period of failure and repairs, thus, shall be excluded from the guaranteed service.
- v). In the event of the supplier’s inability to adhere to the aforesaid provisions, suitable penal action will be taken against them.”

2. The base date for Variable Prices shall be 01.04.2011.

The other details, terms & condition of the original tender TS. No. CMD/MK/04/216 will remain the same.
